AIMS OF THE MUSIC DEPARTMENT
Music classes are offered to provide an atmosphere in which students can learn to be proficient performers and music leaders in their home communities, schools, and churches.

The music program offers classes which provide experience in solo performance, ensemble playing, and choral singing as well as keyboard and instrumental instruction.

Since music is an important, creative outlet for emotion and a means of spiritual expression, a high priority is placed on individual involvement by many students in all academic disciplines.

The music program is positioned to serve in a variety of ways and several of the following programs indicate the underlying philosophy that music is all inclusive, an important activity for all people, and an art that can be combined with other academic offerings.

ENTRANCE REQUIREMENTS

5. The first semester is a conditional time when the student will show their ability to function as a music major. This includes music theory and performance skills. At the end of the first semester the student's progress and potential will be evaluated. The student will be notified in writing if they have achieved full music major status.
6. A letter from the chair, written in advisement with the major's performance teacher, will be placed in the student's file at the end of each school year, encouraging and/or noting areas needing improvement.
